## Hint of the Week Competition

Hi,

We are now giving away one 12 month membership per week to the person who donates the best tip to the Savings Vault. Everyone can enter. If you are already a member you win an extra 12 months added on to your existing membership.

This week Linda Riley has won 12 months membership to the Savings Vault with this great hint:

### Unlock \$93 saving on programmed car key replacement

My son saved a fortune on a new remote control key head for his car by shopping at ([www.polmex.com.au](http://www.polmex.com.au)). The rubber buttons on the key head were all but worn when he bought his Holden Commodore and he was quoted \$120 for a new programmed key. Then I found this website that will sell you the buttons alone. The three he needed were just \$27, a saving of \$93! The key works perfectly and as the buttons are made of silicon instead of rubber they shouldn't perish again.

---

The best way to win a membership is to write helpful, interesting, unique and error free hints. You need to include how much money you saved, how you saved it, what you did and how much you paid. The more detail you provide the more likely you are to win a 12 month membership.

You do not have to answer all the questions to enter the competition. Each hint entered is judged separately. If you send 5 hints. They will be considered 5 separate entries. Which means you have a much higher chance of winning by entering one or two top quality hints than if you entered twenty brief, vague tips. Quality is everything!

If you do not have an answer to a question, or it does not apply to you, please leave it blank.

Thanks for giving it a go. Good luck!

Many grins,  
Fiona
